

116.15 Miscellaneous Items.

In its 116th meeting the WRC reviewed its recognition orders issued to the teacher education institutions "for" a particular year and modified its earlier order as under:

The word "for" (academic year) should be read as "from" (academic year).

However, the performance of these institutions will be assessed by the WRC for further continuation of recognition.

Therefore all such institutions are required to submit the Performance Appraisal Reports (PARs) of that year for which recognition was granted and also subsequent years within 21 days of the publication of this Notice in the daily News Papers and the WRC website.

116.16 Consideration of staff list for issuance of formal order.
